

Yard Duty and Supervision Policy

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Beaconsfield Upper Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

Before and after school

Beaconsfield Upper Primary School's grounds are supervised by school staff from 8.45am until 3.45 pm. Outside of these hours, school staff will not be available to supervise students

Parents and carers will be advised through, regular reminders in our newsletter that they should not allow their children to attend Beaconsfield Upper Primary School outside of these hours. Families will be encouraged to contact OSHC on for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts

- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Beaconsfield Upper Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Daily Organiser/Assistant Principal] is responsible for preparing and communicating the yard duty roster on a regular basis. At Beaconsfield Upper Primary School, [school staff will be designated a specific yard duty area to supervise

Yard duty zones

The designated yard duty areas for our school

Area	
Area 1	Pine tree, administration and Little kids playground
Area 2	Oval and basketball court
Area 3	Big kids playground, Netball court, Tee pees.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored [insert detail]
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the first aid room
- Be familiar with the yard duty information pack containing student health and safety information stored in the first aid room.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- ensure students remain in their designated year level zones
- be alert and vigilant – not play basketball football etc. Students enjoy “Spotto” with the yard duty teacher
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard

- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate in a Yard Duty Book, on and on Sentral

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal] with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Principal or Assistant Principal for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
