## PRINCIPAL'S REPORT

### Covid cases

As you can see from the recent Sentral messages we are experiencing another wave of Covid within the school. I am asking that the community continue with the rapid tests on Sunday night and Wednesday morning. We will be sending out more Rapid Antigen tests at the end of the week.

### Professional Learning Day.

Please do not forget that June 17<sup>th</sup> is a student free day and will be used for professional learning for school staff.

### School fees

If you have forgotten to pay your school fees for 2022 you can still do this via Qkr or at the school office. While fees are voluntary schools do rely on contributions to support the programs offered. School council has tried to keep our fees minimal compared to other schools.

### Coats, scarves and beanie

As the weather has turned bitterly cold we are encouraging students to rug up and keep warm outside. Coats, scarves and beanie's are able to be worn outside. Students will be asked not to wear them inside.
