## PRINCIPAL'S REPORT

I'd like to say a huge thankyou to all the parents and relatives that were able to attend our book week parade yesterday. It was exciting to have such a large part of our community attending and I'm sure that you would not have been disappointed, as you watched the varying array of costumes parading past.

The imagination behind the creations was indeed a wonder to behold, and while its somewhat agonising when these events arrive, the joy on the kid's faces really does make it worth the effort.

A huge thankyou to the staff too who lead by example and prepare their own amazing costumes. In particular I'd like to thank "The Lorax" ( Rachel E) for taking on the difficult role of judging the best costume for each grade.

We would love to see our community join us for our BUPS has talent event on Tuesday 13<sup>th</sup> of September, showcasing the many and varied talents of the students here at BUPS.

I'd like to let the community know that this event has been managed by one of our Grade 5 students Annie Charles, and Annie has conducted all the auditions, selected the contestants and arranged the music requirements all by herself (with a little support from me).

Further, our school captains came to me this week with a proposal to have the grade 6 students participate in the school musical production. So eloquent was their proposal and so keen were the grade 6 students to be involved, we have capitulated and are now in the throws of putting together a paired down version of our normal production so that these students get to experience our tradition. I think both examples exemplify the student voice opportunities that are available here, but also the mature way in which our students seek activities and then are prepared to support them fully.

### WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

A random sample of approximately 30 per cent of parents/caregivers/guardians have been selected to participate in this year's survey.

The Parent/Caregiver/Guardian Opinion Survey will be conducted from **Monday 15<sup>th</sup> August** to **Friday 16<sup>th</sup> September**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones.

### Blue- By Tannah Meek-Christie

Blue is the colour of the ink in my pen.  
Blue is the sky on a warm summer's day.

Blue is the colour of the lid from my  
Ice-cream tub.

Blue is the colour of a refreshing pool.  
Blue tastes like blueberries from my garden.

Blue smells like the fresh air after rain.  
Blue sounds like the crashing waves in the  
ocean.

Blue feels like water on my skin.  
Blue looks like the first-place ribbons from  
a race.

Blue makes me feel like I'm soaring in the  
sky.

Blue is my favourite colour.
