PRINCIPAL'S REPORT

There is a real buzz within the school grounds at present, the excitement of the colour run on Friday is building up and we can't wait to see yet another event that we can share as a community. The event will start at 2.30 on the oval though the children will be running on the outside boundary road. (Please remember this will be closed prior to pickup). Please bring a picnic rug or some comfy chairs to sit on to watch the event.

There are slime stations, water stations, colour powder stations and a fire truck to add to the excitement of a big splash of colour! Students are invited to be in free dress on the day, and to wear a white or light t-shirt for the colour run itself.

A huge thanks to the PFA for the organisation of the day. We appreciate how much work goes into the planning and delivery of an event such as this. PFA are working very hard to raise funds for a new ninja playground for the kids, so please get behind them and chase up a few last donations.

Next week we will also see a grade 5/6 production go ahead. This has been a result of the students preparing a persuasive piece for both Kellie and myself in order that they experience a production before they leave BUPS. A huge thanks to Kellie Backman who almost single handed has put together the production with the support of the Grade 5/6 team. Thanks also to Alex Gawley, Georgi Lovelace, Carla Bate, Matt Payne, Tim Andrews, Naomi Whalan, Toni Blizzard and Hayley Stammers for working with smaller groups on dance routines and script practice.

While we have been unsuccessful in finding a music teacher over the past two years, we have still managed to provide a production for our senior students.

We are in the final stages of putting students in their grades for next year and finalising our staffing for 2023. I can say that we will be offering a STEM (science, technology engineering and maths) program, which I'm really looking forward to.

Vicki

Hello everyone, this Friday is the big day !!! The Weather is looking great.

We are still in need of help on the day to ensure we can go ahead with everything we have planned. If you are able to help please click on the link below.

Friendly Reminders for the day.

**Please ensure your child wears a White or Light Coloured top to school (colour will likely stain)

**Glasses and Headbands will be given to each child to use for free.

** Your child can still register to fundraise <https://myprofilepage.com.au>

** The children will be running around the outside of the oval and as such the gravel section will be blocked off from 2pm.

** Our wonderful CFA will be joining in with some Water spraying.

** Parents / Grandparents and siblings are welcome to come and watch from inside the oval.
