

Before and after school yard supervision – parent notification

Student safety at Beaconsfield Upper Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8.45am – 9.00am. The oval is restricted at this time.

After school: School grounds are supervised from 3.30 – 3.45pm

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Vicki Miles for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy please contact the Office and a hard copy will be provided. This policy includes Beaconsfield Upper Primary School's student supervision arrangements across the school day, including before and after school.
