The Defenders:

Fight For Power

Four friends—Maddy, Hayley, Kevin, and Jackson—gain mysterious powers after discovering a glowing light hidden beneath a waterfall. As they struggle to understand their abilities—ranging from time-freezing to mind control—a dangerous threat emerges. On the edge of town, the eccentric Dr. Miller and her clumsy assistant Lenny bring a powerful robot named Rannie to life by stealing energy from the local hospital. When the robot begins wreaking havoc, the friends must come together, embrace their powers, and face the danger head-on. To save their town, they'll need more than superpowers—they'll need courage, teamwork, and the strength of their friendship.
